Chief of Staff and Assistant to
the President
The White House
Washington, D.C. 20500

Dear Don,

Here's that analysis you asked for on Friday.
As you see, it was done quickly and treats a wide
range of implications, some of which might not be
entirely relevant to your immediate concern.

If there are questions you would like more
specifically focussed on, please give me a call
and we'll get right to it.

Yours

William J. Casey
